Re: Case # CR-05-00167-JMS-01

DISTRICT OF HAWAII

W/ Appointment of Counsel

Dear Judge Seabright:

In 2005, I was convicted of distribution of cocaine base and received a sentence of twenty years imprisonment.

My purpose for contacting you is to determine whether or not the recent "crack cocaine" amendment applies to my case and, if so, would I be eligible for a two-point reduction on my base offense level.

I realize that you are not my attorney and are not obligated to assist me in this matter. However, at present, I do not have the financial resources to retain my own attorney for consultation.

I hope, you can assist me in this matter or provide me with appropriate direction and that this request does not inconvenience you.

I appreciate your attention, assistance and consideration in this matter. Further, I look forward to your response.

Respectfully Submitted,

Gethsemane Pita
